Let Your Voice Be Heard

DoDEA Stakeholder Feedback Survey

The Department of Defense Education Activity (DoDEA) invites parents and guardians of students in **Prekindergarten through Grade 12** to participate in the Stakeholder Feedback Survey. This survey provides families the opportunity to share feedback on their child's school and help guide improvements across DoDEA.

The survey is open **January 29 through March 13, 2026, takes approximately 15–20 minutes to complete**, and is voluntary and anonymous. Parents will receive survey access and reminders through their DoDEA **Student Information System** (DSIS) email address. Parents with more than one child enrolled in a DoDEA school may complete a separate survey for each student. **Your feedback is important** and helps strengthen teaching, learning, and school experiences for DoDEA students worldwide. **Please check your DSIS email and participate before the survey closes**.
